Papers Submission

Scientific papers:

In order to give the authors an opportunity to publish their findings in high-impact factor journals, all scientific papers are to be submitted as extended abstracts only, which will be included in the Conference Proceedings. Persons interested in presenting a paper or a poster should fill in the Registration Form and send it to the Conference Office, giving paper or poster title, authors' names, and extended abstracts. The abstract should be prepared in Polish or English, according to the instruction given at <http://www.inpap.p.lodz.pl>, and sent to the Conference Office via e-mail. **Abstracts should be sent by May 10th, 2023.** The presentation time is 15-20 minutes.

All scientific papers will be reviewed.

Participation in The Conference

Persons interested in participating in the Conference are requested to fill in the Registration Form and send it to the address of Conference Office by **May, 22nd, 2023**. Proper Conference fee should be realized to Organizers' account. The form is available at the Conference website.

The basic fee for participation in the conference is:
