Official languages

Polish and English

Papers submission

Scientific presentations:

In order to give the authors an opportunity to publish their findings in high-impact factor journals, all scientific papers are to be submitted as extended abstracts only and in this form they will be included in the Conference Proceedings. Persons interested in presenting a paper or a poster should fill in the Registration Form and send it to the Conference Office, giving paper or poster title, authors' names, and extended abstracts. The abstract should be prepared in Polish or English, according to the instruction given at <https://inpap.p.lodz.pl/inpap2026/>, and sent to the Conference Office via e-mail. Abstracts should be sent by **May 17th, 2026**.

The presentation time is 15-20 minutes (depending on the number of presentations).

All scientific papers will be reviewed.

Conference Office e-mail: inpap.biuro@info.p.lodz.pl

Participation in the Conference

Persons interested in participating in the Conference are requested to fill in the electronic Registration Form by **May, 31st, 2026** and and pay the conference fee to Organizers' account. The form is available at the Conference website and here (QR code):

Conference fee:

Normal: 1950 PLN

Person presenting the scientific paper

(accepted by the Scientific Committee): 1350 PLN

Note: It is not possible to pay fees during the conference!

The fee does not include accommodation. Participants must book accommodation on their own at the Conference venue (discount on password "INPAP"). The fee entitles you to: participation in all sessions, a set of materials conference, lunch and participation in social events.

NOTE: The pro-forma invoice can be issued. Once the payment has been made, the final invoice will be issued.
