

Invitation

Centre of Papermaking and Printing of Lodz University of Technology invites everyone to participate in XVI Scientific and Technical Conference and Exhibition INPAP 2026 which will be held in the elegant and comfortable Magellan Hotel located near the Sulejów reservoir and surrounded by the Sulejów Landscape Park. We are looking forward to welcoming you among our participants.

We would like to offer you participation and promotion during the INPAP'2026 Conference based on sponsorship under the following conditions:

1. The cost of sponsorship: PLN 10 000, under which we offer:

- advertising the company in the form of presentations not exceeding 10 minutes;
- placing the sponsor's logo and information about the company in conference materials, on banners and in CPP social media
- distribution of advertising materials by putting them in folders together with conference materials.

2. The cost of sponsorship: PLN 15 000, under which we offer:

- advertising the company in the form of presentations not exceeding 15 minutes;
- placing the sponsor's logo and information about the company in conference materials and in CPP social media
- distribution of advertising materials by putting them in folders together with conference materials;
- displaying the company's logo on the screen during the breaks between sessions and exhibiting the company during the entire event.

3. The cost of sponsorship: PLN 20 000, under which we offer:

- advertising the company in the form of presentations not exceeding 25 minutes;
- placing the sponsor's logo and information about the company in conference materials and in CPP social media
- distribution of advertising materials by putting them in folders together with conference materials;
- displaying the company's logo on the screen during the breaks between sessions and exhibiting the company throughout the event;
